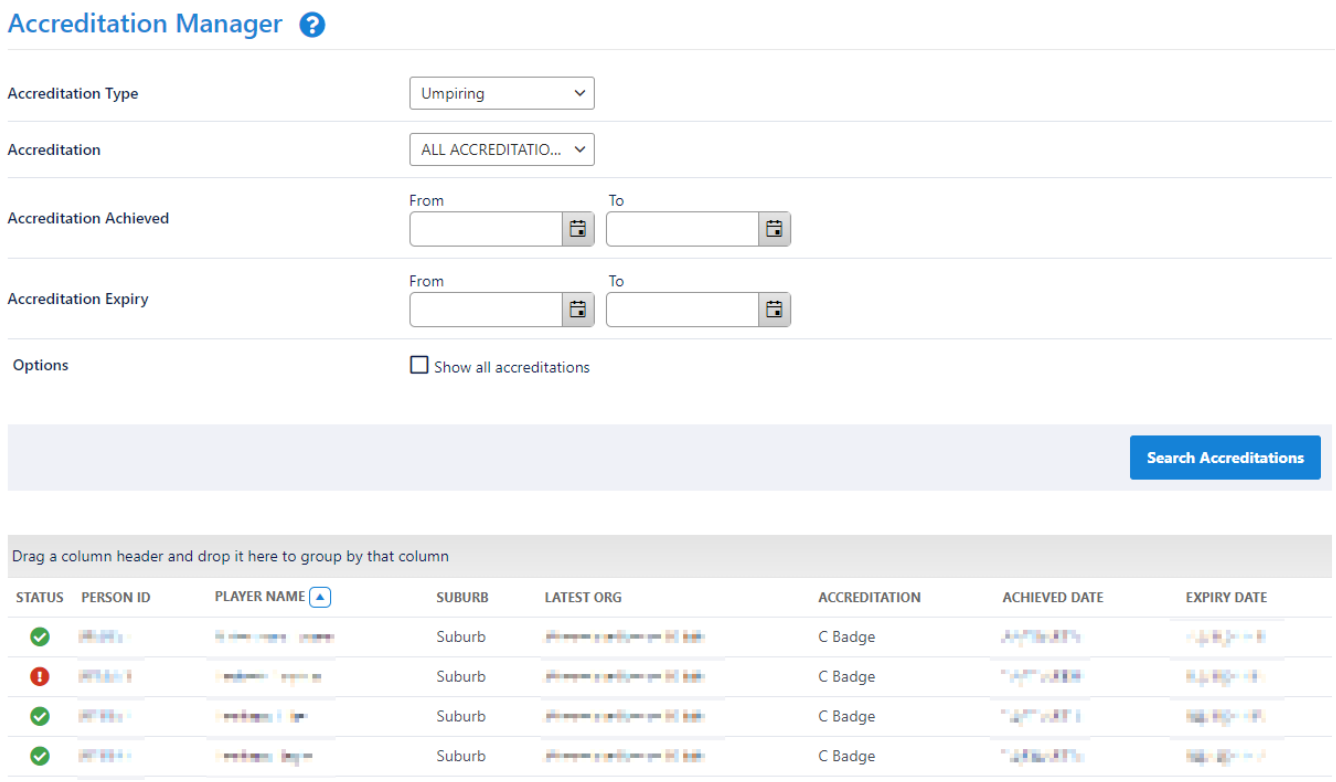
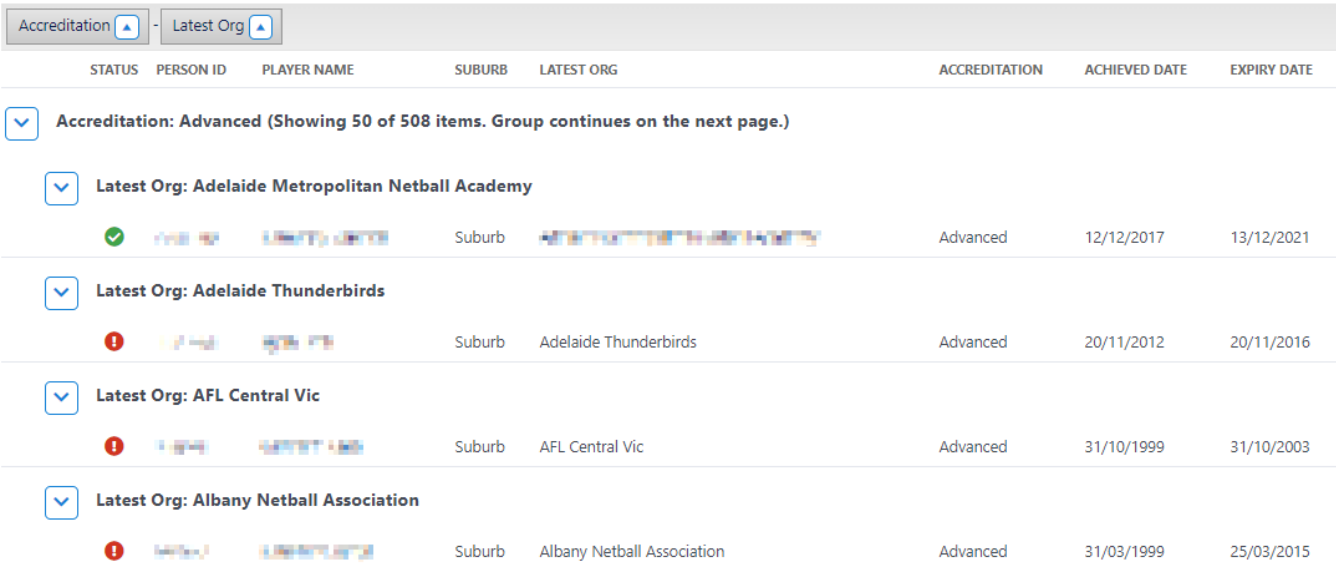
On the **Accreditation Manager** screen, use the available filtering criteria to search for person records with a particular accreditation.

denotes that the person accreditation is valid while denotes that the person's accreditation has expired.

Options available for data matching your preferred filters include **Downloading the data** for external use and creating a **Static Person Filter**.



If **Show all accreditation** is ticked and a person has more than one accreditations against his record the person ID is shown multiple times to highlight each qualification.

Use "**Drag a column header and drop it here to group by that column**" to classify displayed data on the basis of Status, Person ID, Player name, Suburb, Latest Organisation, Accreditation or the date of achievement/expiry.


For example, classification on the basis of Latest Organisation:
