

# Re-grade Team

Re-grading a team occurs during a current season and allows a team to be up-/down-graded to a different division once matches have been played. Where required, the migration of squad lists, match data and ladder points is facilitated.

Typically this occurs in competitions that allow re-grading to occur if a team is winning or losing a large percentage of their matches.

## Re-Grade Team

**Warning: If votes have been entered for players in these teams, regrading will not work. Please remove votes before proceeding.**

1. Start by selecting the **Source Grade**, **Team to Regrade** and **Destination Grade**.
2. Complete the re-grade team options as per the table below.
3. Click **Submit** and **OK** to save your changes.

 It is crucial to review target team & associated grade thoroughly before clicking **Submit** as it is more complicated to reverse the action & requires manual manipulation

4. It is recommended that you review the newly re-graded team, including:
  - Checking the fixtures of both source & destination grade.
  - Checking the ladder display of both source & destination grade.
  - Checking the Team settings in Grade manager page.
  - Rerunning the draw creator wizard.

Regrade options	Descriptions
Create as a new team in destination grade	<ul style="list-style-type: none"> <li>• Adds the team to the destination grade.</li> <li>• Should be used if no bye or no team available for swapping grades in the upcoming matches.</li> <li>• Need to restart draw creator wizard to reflect the team change in fixture.</li> <li>• Seeding for teams will be auto adjusted in both destination &amp; source grade.</li> </ul>
Replace future byes (if any) in destination grade with migrated team	<ul style="list-style-type: none"> <li>• Slots migrated team in upcoming bye matches in destination grade.</li> <li>• May not need to re-run draw creator.</li> <li>• Perfect if a bye is available for the upcoming matches.</li> <li>• Seeding for teams will be auto adjusted in source grade.</li> </ul>
Replace an existing team in destination grade	<ul style="list-style-type: none"> <li>• This will remove a specified team from any future matches in the fixture of the Destination Grade and replace it with the Migrated Team.</li> <li>• May not need to re-run draw creator.</li> <li>• Perfect in case moving out team is available for the upcoming matches.</li> <li>• Seeding for teams will be auto adjusted in source grade.</li> </ul>

<p>Copy played matches &amp; ladder points into destination grade</p>	<ul style="list-style-type: none"><li>• A copy of matches played by the migrated team will be created in the fixture of the Destination Grade (shown in red in Season Fixture). These are used for ladder calculations.</li><li>• This helps to recalculate ladder points for destination grade including match played by migrated team.</li><li>• There might be a missing or surplus of matches played in case the timing of two grades involved is different ie. team may play more or less matches than those in destination grade.</li><li>• This will at the same time hide the team from source grade's ladder display.</li><li>• Seeding for teams will be auto adjusted in both destination &amp; source grade.</li></ul>
<p>Replace migrated team with Bye in the source grade</p>	<p>The fixture in the source grade will be updated with the Migrated team being replaced with a BYE in future matches. Any matches that would result in 'BYE v BYE' will be deleted.</p>
