☐	A2	Senior	Select Squad	Allow Update	Default	200

Default settings

Team Select	No Automatic Selection - Squad selection is automatically carried forward by the system, based on the initial squad setup i.e. there is no need to select a team for entry/allocate for every game. Select Squad - Squad selection is manually handled and compulsory per game before a player's scores can be entered. Select Previous Match Team - Squad is manually assigned for a certain round and will be automatically carried forward to the next one.
Squad Update	Locked - Club is not allowed to edit squads. Allow Update - Club can edit squads. Auto Update - Squads are automatically updated from the moment a sub player is entered into to match.
Squad Lock	Round number from which squads are always locked - value from 0 (always locked) - 200.
Num of Subs	Maximum number of substitutes.

Include in PPWR	Include in Player Participation Per Week Report.
