

Favourite a club or association

The MyNetball app allows you to 'favourite' your clubs and associations to help you easily navigate to them without having to perform a manual search.

To favourite a club or association.

1. select the search option top right of the screen
2. search for the club or association
3. select the organisation
4. select the star icon top right of the screen, and the club/association will be saved as a favourite
