# My Stats

For all organisations in which you currently are a player, you can view your statistics.

You can select from the Season filter, as well as select the player to view statistics for, if you manage players/teams within the organisation.

You can also select to view the report where **1 or more period plays** or where the player was simply **Selected in a team.**

Click the **Go** button to display the statistics when you have finished selecting your filter.
