

Edit Over (Cricket LiveScore Mobile)

[ResultsVault Cricket LiveScore FAQ](#)

To access Edit Over functionality, tap on the "pencil" icon next to the Over heading in the Ball-by-Ball screen of [Scoresheet](#).

Highlighted Features:

- (1) To return to the Ball-by-Ball screen, tap on Cancel. To save changes made, tap on Done.
- (2) To change the bowler for the entire over, tap on Bowler and choose from the list of bowlers.

Note:

If multiple bowlers were involved in the over, (for example, if a bowler was replaced mid-over due to injury) the Edit Over functionality won't allow you to change the bowler for the entire over. In such cases, using [Edit Ball](#) functionality is recommended.
