

# Match Setup (Cricket LiveScore Mobile)

[ResultsVault Cricket LiveScore FAQ](#)

Team Selection comes up after you select a match to score on the [Matches](#) screen

The screenshot shows the 'Match Setup' screen on a mobile device. The status bar at the top shows 'Carrier', signal strength, '10:10 AM', and battery level. The app bar is green with 'Cancel', 'Match Setup', and 'Teams >' buttons. The main content area has several sections: 'OVERS' with 'Overs per innings' (No limit) and 'Max overs per bowler' (No limit); 'TOSS WON BY' with 'Papatoetoe' and 'Takapuna' options; and 'ELECTED TO' with 'Bat' and 'Bowl' options. Numbered callouts point to specific elements: (1) Cancel button, (2) Overs per innings dropdown, (3) Max overs per bowler dropdown, (4) Papatoetoe team selection, and (5) Bat/Bowl election options.

| OVERS                          |
|--------------------------------|
| Overs per innings: No limit    |
| Max overs per bowler: No limit |
| TOSS WON BY                    |
| Papatoetoe                     |
| Takapuna                       |
| ELECTED TO                     |
| Bat                            |
| Bowl                           |

**Highlighted Features:**

- (1) [Team Selection](#) area, where teams can be selected for the match.
- (2) Tap to continue setting up and select the batting side and fielding side (see 'Continue to Match Setup' for subsequent actions).
- (3) Tap to save team data and return to matches screen to resume scoring later. This match will now be found in the 'In Progress' section.
- (4) Tap 'Cancel' to continue adjusting the team selections
