Duckworth-Lewis (Cricket LiveScore Tablet)

ResultsVault Cricket LiveScore FAQ

Use the DL Calculator to reset target for the team batting second in an interrupted one-day match as per the Duckworth-Lewis method.

The DL calculator screen comes up after selecting to use Duckworth-Lewis on the Match Status screen.

To use the DL calculator, make sure that the 'Overs per Innings' value has been set in Match Settings: the value can't be set to 'No limit', or set to greater than 50 overs.
