# App Settings

App settings can be accessed via the side navigation menu by tapping on the icon on the Dashboard.

Preferences

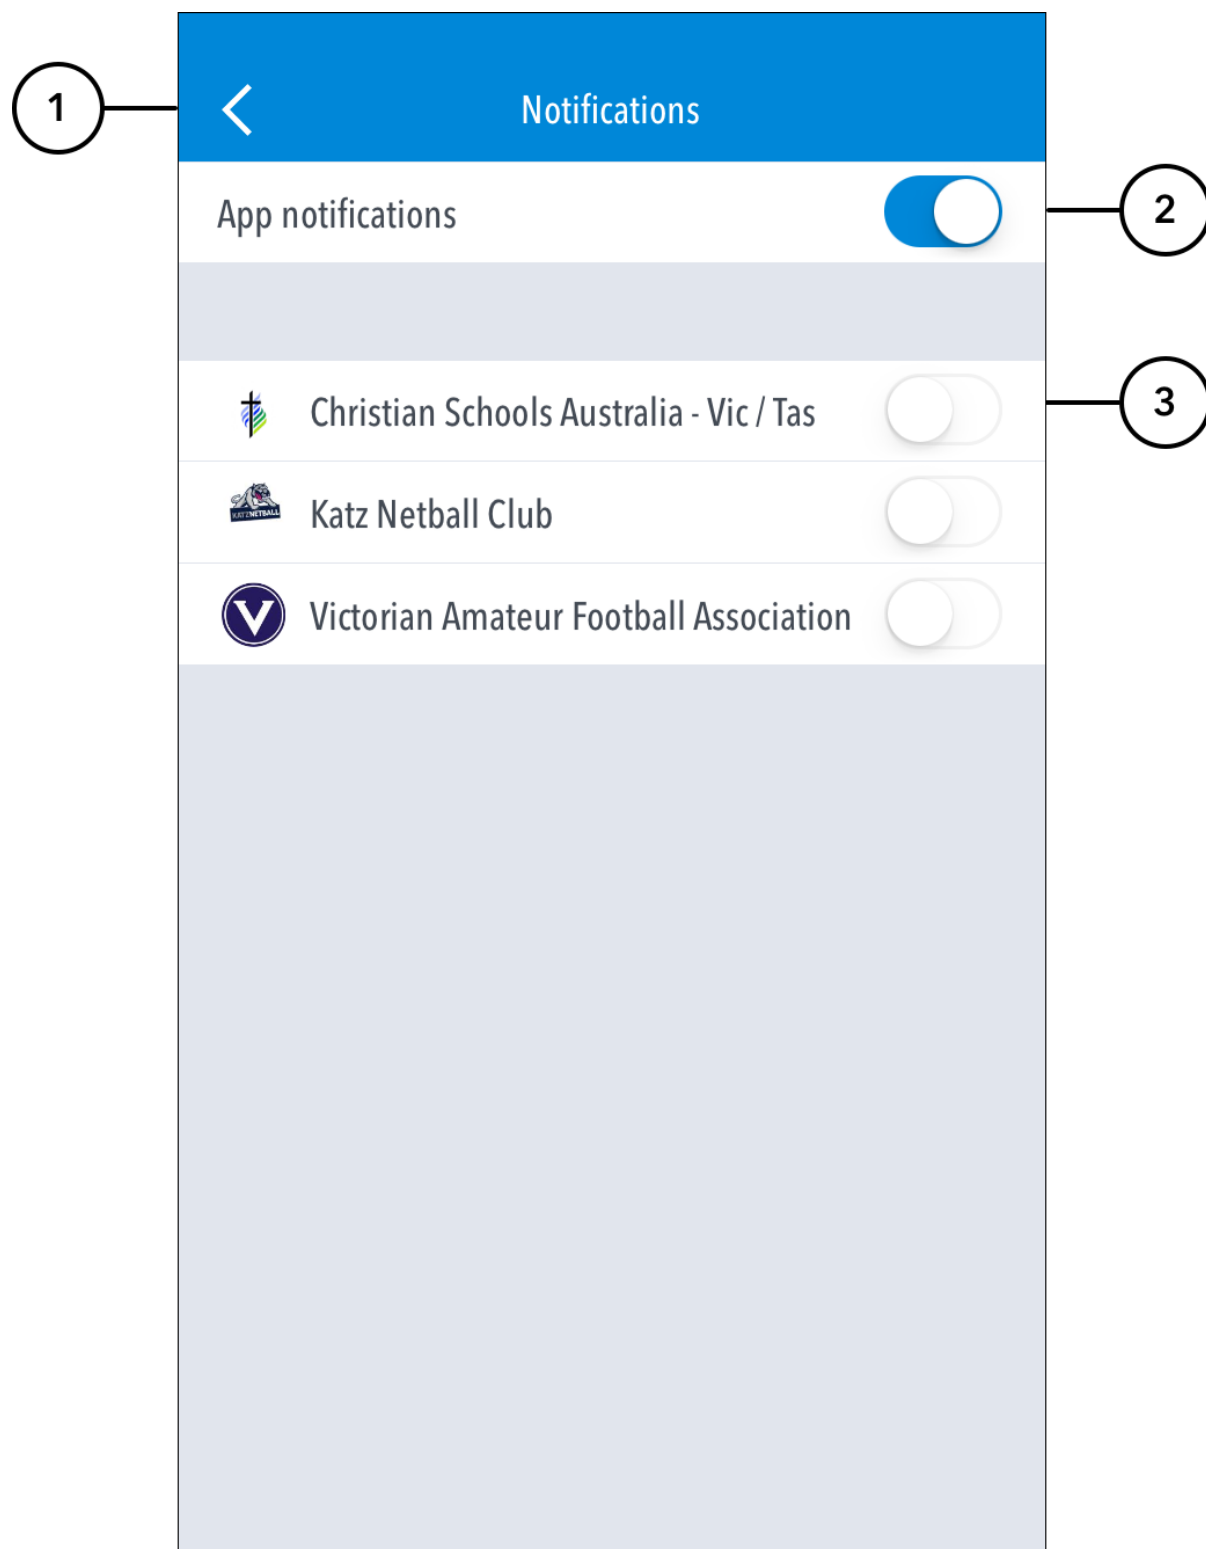

Highlighted Features:

(1) To return to the Dashboard, tap on the **<** icon.

(2) To set the default tab on Dashboard, choose from Matches, Ladders, News and Events.

(3) To set the default calendar to add fixtures to (when you tap a date on the Matches tab of the dashboard), choose from displayed options.

Notifications

(1) To return to the Dashboard, tap on the **<** icon.

(2) To select whether or not to receive notifications from the app, use the toggle switch for App Notifications.

(3) To select whether or not to receive notifications from particular clubs/associations, use the toggle switch next to the club/association name.

> ⓘ **Note**
>
> Notifications for individual clubs/associations can only be enabled when logged in with ResultsVault ID.
