Highlighted Features:

- (1) To set your current Favourite for the [Dashboard](#), choose from the list of [added Favourites](#). The selected Favourite is displayed with a  next to its name.
- (2) To edit your Favourites, use the Manage Favourites option. Manage Favourites can also be accessed via the side navigation menu by tapping on the  icon.

(3) To return to the [Dashboard](#), tap on the < icon. To save changes made, tap on Done.

(4) To select a club/association to either duplicate, hide/show or delete, tap on the club/association name.

(5) To make a copy of the selected club/association (useful when you want to add multiple grades for the same club/association as a Favourite), use Duplicate option. To hide or show a club/association in the Favourites drawer, use Hide/Show option. To delete the club/association altogether (only available for manually-added favourites), use the Delete option.
