Add new favourite 4

Highlighted Items:

(1) Press the back arrow to return to the Matches Dashboard.

(2) To edit an existing favourite, select from favourite list.

(3) Press the Edit button, and then select a favourite, to enable the editing options at the bottom of the screen.

- **Duplicate** – makes a direct copy of the currently selected favourite.
- **Hide** – hides the currently selected favourite. It will not appear in the Favourites list on the Dashboard while it is set as 'hidden'.
- **Delete** – delete the currently selected favourite from the app.

(4) Press the Add new favourite button at the bottom of the screen to search for a new favourite to add.
