

MyCricket LiveScore FAQ

The screenshot shows the 'Scoresheet' app on an iPad. At the top, the status bar shows 'iPad', signal strength, '11:15 am', and '100%' battery. The app header is blue with 'Save and Exit' on the left, 'Scoresheet' in the center, and a refresh icon and menu icon on the right.

The main content area displays the match details: 'Yarraville Club' (1/94) vs 'Doutta Stars' (1/21). Below this, it states 'Doutta Stars require 74 runs from 111 balls (4.00 rpo)'. The '1st Innings' section lists the batters: A Ambrosi (18 runs, 5 balls, 1 four, 1 six, SR 360.00), P Barnard (3 runs, 3 balls, 0 fours, 0 sixes, SR 100.00), EXTRAS (8 runs, 5 balls, 0 fours, 0 sixes, SR 160.00), and N Burton (0.3 runs, 0 balls, 8 fours, 0 sixes, SR 16.00). The bowling section shows N Burton as the bowler (0.1 overs, 6 runs, 2 wickets, ECON 6.00).

On the right side, there is a 'Ball-by-Ball' log. It shows the current over (Over 2) and a list of balls. The first ball is a 1.3 over, 2 runs, bowled by N Burton to A Ambrosi. The second ball is a 0.1 over, 6 runs, bowled by D Cain to A Ambrosi. A 'Delete ball' button is visible at the bottom of the log.

At the bottom of the screen, there is a numeric keypad with buttons for 1, 2, 3, 4, 5, 6, 5+, and a blue arrow button. Below the keypad are buttons for 'WIDE', 'NO BALL', 'BYE', 'LEG BYE', 'WICKET', 'END OVER', and 'MATCH ACTIONS'.

(1) To change the Batter on Strike, tap on Strike Batter and choose from the list of batters.

(2) To change Bowler, tap on Bowler and choose from the list of bowlers.

(3) To change type of Score, tap on Score Type and choose from options such as: Runs, No Balls, Wides, Byes, Leg Byes, No Ball + Runs.

(4) To change number of runs or extras, tap on **(-)** to reduce and **(+)** to increase the score.

(5) To change the ball's position, tap on **(-)** once to move it back in the over or **(+)** to move it forward. For example, changing Ball Number from 6 to 5 will swap the order of the 5th and 6th balls in the over.

(6) "Delete Ball" functionality is only available when editing a ball in current over. Balls from previous overs cannot be deleted.

 If a wicket fell on the ball, the dismissal type and the fielder involved can also be changed via Edit Ball.
