

# I don't know if I have a Login ID / account. How can I check?

If you don't know if you have a Login ID, you can search for yourself on the following Login portals:

- [MyNetball](#)
- [All other ResultsVault Sports](#)

Find your details, by entering in one of these three fields and press Find:

- Participant ID,
- Email address or
- Personal details (name + DOB).

If you can find your details in our database, you'll be able to see if you have a Login ID.

If the Status of your account shows "**Account Exists**", then you have a Login ID and it will display under the email address field.

Email address	Club/Assoc	Status	Actions
<your email address>	<your Club/Assoc>	Status: Account Exists	<a href="#">Reset Password</a> <a href="#">Contact Org</a>

If the Status of your account shows "**Email Exists**", then you don't have a Login ID yet, and you will need to create a Login by selecting Create Login.

Email address	Club/Assoc	Status	Actions
<your email address>	<your Club/Assoc>	Status: Email Exists	<a href="#">Create Login</a> <a href="#">Contact Org</a>

If you cannot find your details in our database, and you think you have signed up before, please [contact Support](#) to query this further.
