

Projected Totals (ECB Mobile)

Use the projected total screen to view a batting teams projected total for the current innings.

The page can be accessed by clicking on the 'Projected Total' menu item in the match settings area.

Note

Only matches with the overs per innings value set to a number will show the projected total screen.

The table will show -2 & -1 under the current run rate, as well as +1, +2, +3, +4 & +5 runs above the current run rate.
