# Grades (Tablet)

The Grades selection is shown by default upon logging into a match and is broken into two lists; Managing and Participating in (if logging in as an association).

> **ⓘ Note**
>
> A club login will only show the list of grades where it's participating in.

Highlighted Features:

(1) Displays a list of grades as set up by the active entity that's logged into.

(2) Displays a list of grades as setup by a higher association where the logged into entity is participating in.
