Website Management

Clubs/Associations will be able to create a unique and customisable website to suit their needs. The process will be as follows:

- Layout Selection
- Layout Information
- Sportzvault Interface - (Menu customisation, News & Events setup, Advert maintenance)

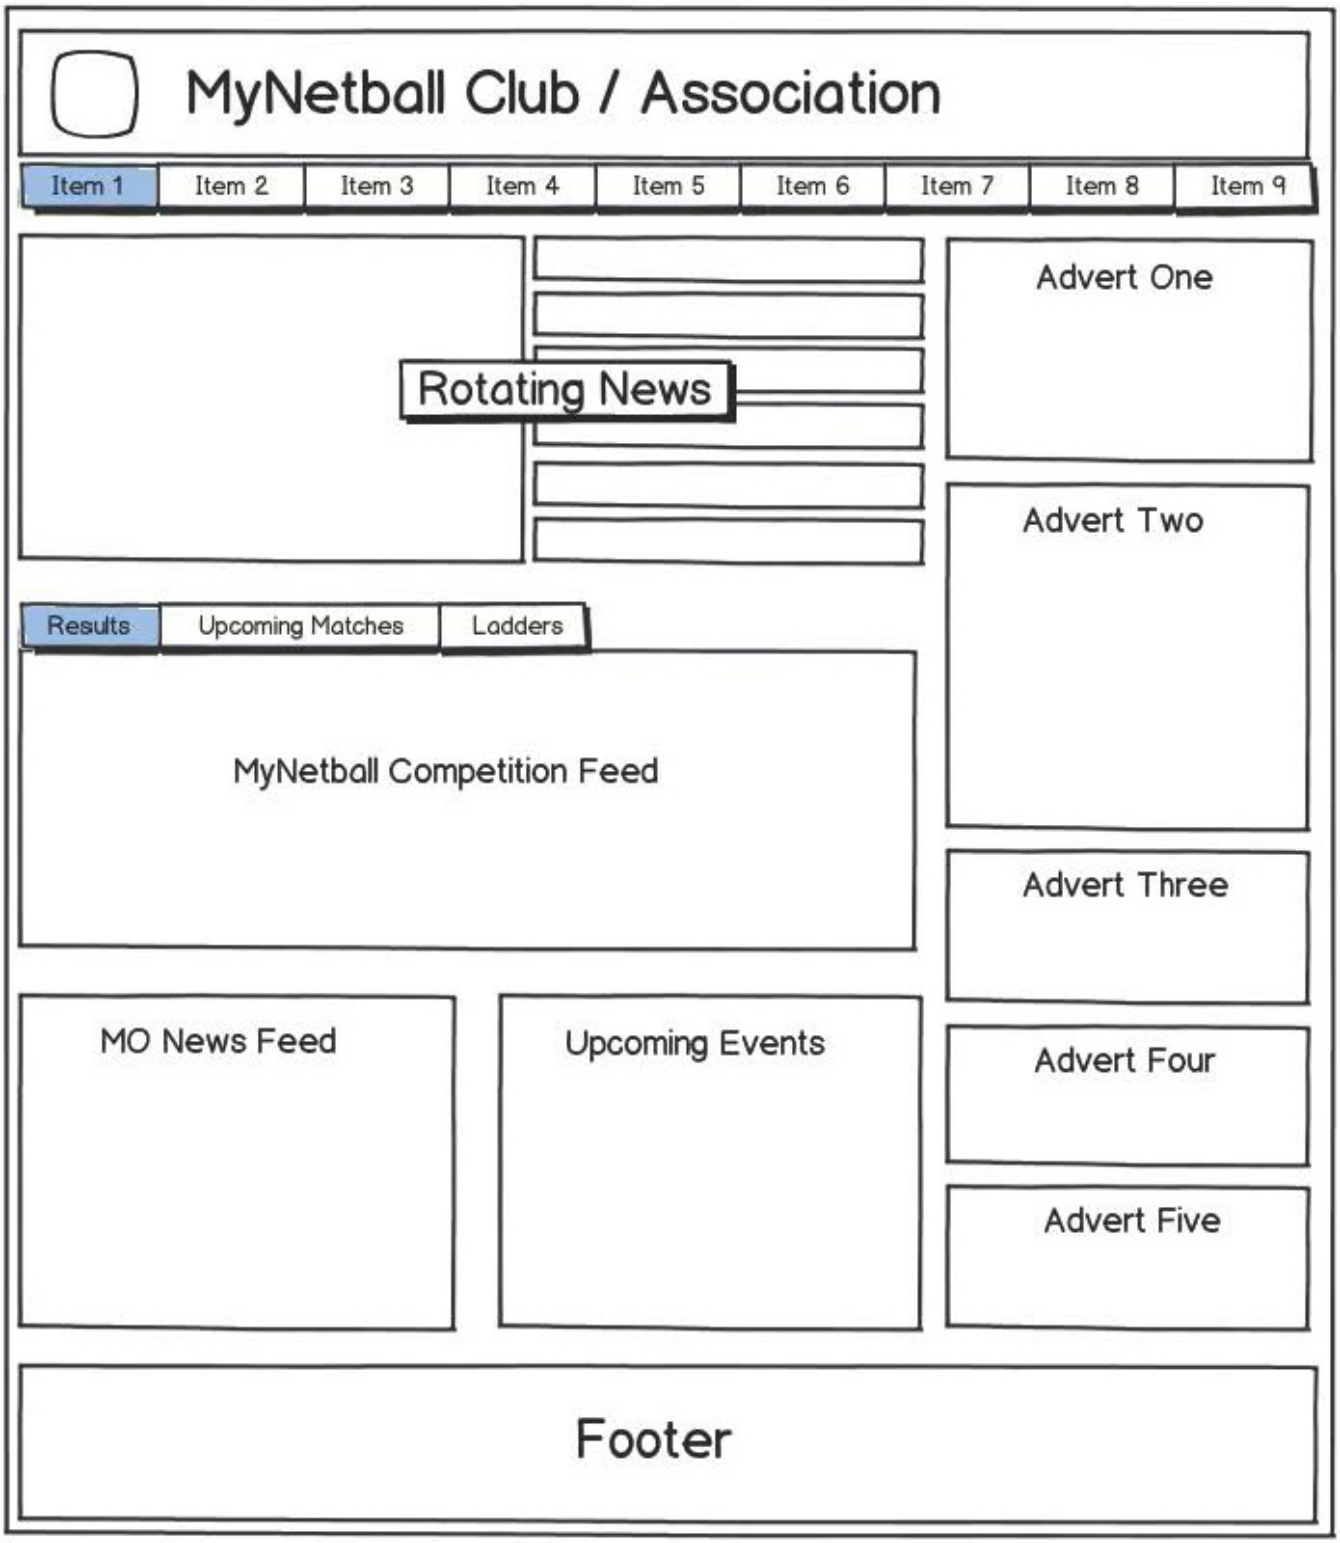

Layout Selection

Clubs/Associations will be able to select from a Template which will contain different combinations of the following elements:

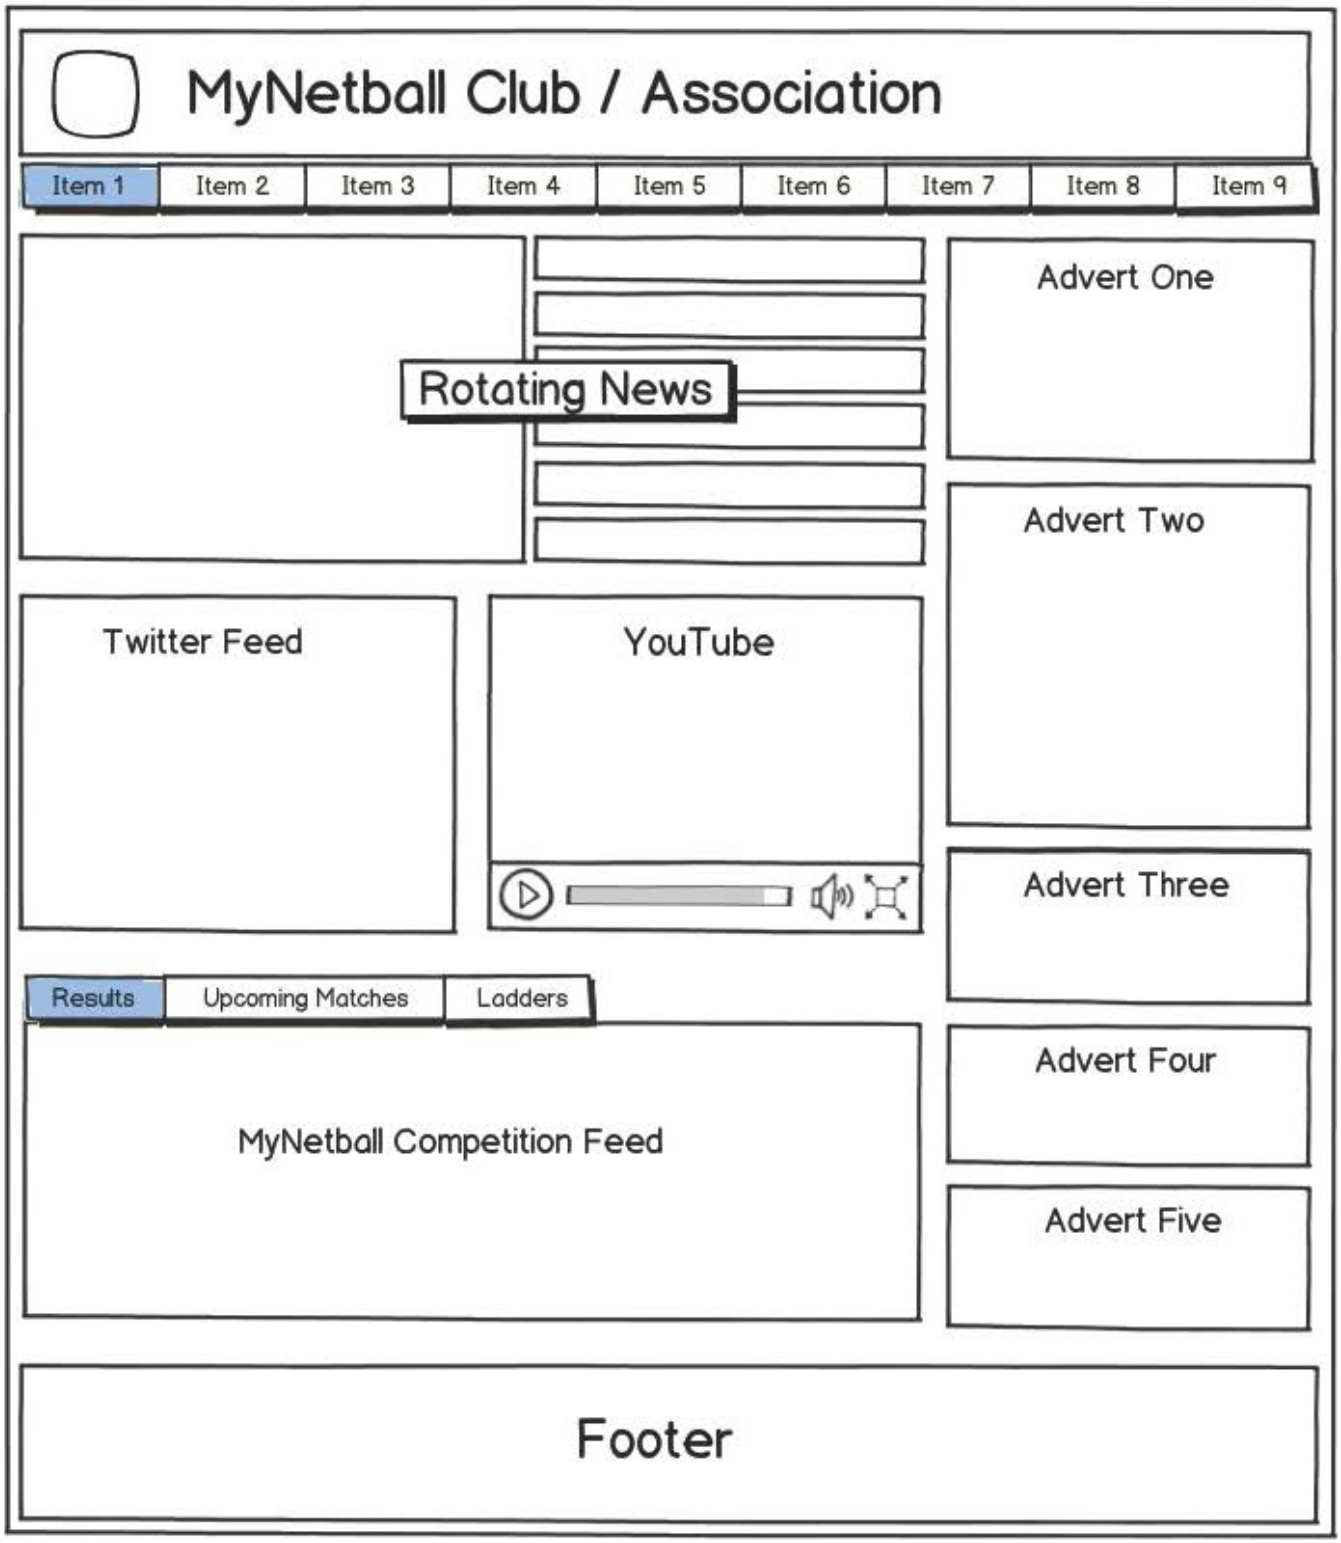

- Header (Club Logo, Club Name)
- Menu
- Rotating News (Displays pictures and a text preview of each news story)
- Competition Feed (Displays Results, Upcoming matches and Ladders of selected club competition)
- Upcoming Events (shows a list of events)
- Adverts
- Twitter (displays a list of tweets by selected User)
- Youtube (can display a video or playlist)
- Facebook (displays recent facebook status' of selected Facebook Page)

Clubs/Associations can choose from the following 4 layout templates:

Template #4

Layout Information

Once the Layout has been selected, further information will need to be provided.

The following is an example of a form that can be provided to clubs along with the 4 layout images:

NAME OF CLUB:	
CONTACT EMAIL:	

LAYOUT 1

Primary Colour:		Hex Value:	
Secondary Colour:		Hex Value:	
Logo File Name:			

LAYOUT 2

Primary Colour:		Hex Value:	
Secondary Colour:		Hex Value:	
Logo File Name:			
Twitter User ID:			
Youtube URL:			

LAYOUT 3

Primary Colour:		Hex Value:	
Secondary Colour:		Hex Value:	
Logo File Name:			
Twitter User ID:			
Youtube URL:			
Facebook ID:			

LAYOUT 4

Primary Colour:		Hex Value:	
Secondary Colour:		Hex Value:	
Logo File Name:			
Twitter User ID:			
Youtube URL:			
Facebook ID:			

Here is an example of the required information:

EXAMPLE			
Primary Colour:	Black	Hex Value:	#000000
Secondary Colour:	Red	Hex Value:	#FF0000
Logo File Name:	Club_logo.png		
Twitter User ID:	NetballAust		
Youtube URL:	http://www.youtube.com/watch?v=TnhFSpRK2VQ&feature=share&list=PLqQzPpKel9z0fRxx1aMxXUp5sR0wXwsf1		
Facebook ID:	AussieDiamonds		

Required Information:

Primary and Secondary Colours:

These will be the basis of the colour scheme for the website. Colours may be included in background, menu, headings etc.

Hexadecimal Value:

Optional, but provides an accurate colour descripton rather than a general 'Blue' or 'Red'.

Twitter User ID:

Easily identified after twitter URL: https://twitter.com/NetballAust - 'NetballAust'

Youtube URL:

This is provided by clicking 'Share' on the selected video and providing the output URL. eg. www.youtube.com/watch?v=TnhFSpRK2VQ&feature=share&list=PLqQzPpKel9z0fRxx1aMxXUp5sR0wXwsf1

Facebook ID:

The facebook ID is displayed after the facebook URL. eg. 'AussieDiamonds' from https://www.facebook.com/AussieDiamonds

Sportzvault Interface

Using Sportzvault will allow users to take the final steps involved in completing the setup of their website.

Please Note: News, Events and Advert widgets require content to be setup before they display correctly
