

Team Management

This page allows the grouping of players into specific teams of that organisation.

The teams can be configured to include specific criteria, including age, gender, team size limit. Active players within the organisation will be available to add to a team.

Note - the season drop down relates to the 'Competition' season set by the association. It is not related to the Registration Period.

The screenshot shows the 'Participating Team Management' page. On the left is a navigation menu with options: Search Menus, Team Management (selected), Team Groups, Team Player Allocations, Team Contacts Report, Nominate Team to Comp, and Team/Squad Setup (season). The main content area has a 'Season' dropdown set to '2018' and a 'Go' button. Below this is a checkbox for 'Show Inactive Teams' which is unchecked.
