Person Availability

A club can set a player or umppire's availability for a match.

An association can set an umpire/referees availability for a match.

On the **Match Official Availability Summary** screen, select an umpire/referee to set their availability for matches.

Key: A Available U Unavailable C Conditional

Name	Date of Birth	Contact Numbers	Panel	Comment	Enter Av.	Email
					✎	✉
Name	**Date of Birth**	**Contact**	**Panel**	**Comment**	**Enter Av.**	**Email**

Total Records: **1**

1. Click the ✎ button to enter the umpire/referee's availability.
2. The Enter Match Availability screen displays.
3. For each match date, click one of the **availability** buttons to indicate the umpire/referee's availability:
    - Available
    - Unavailable
    - Conditional
    - Not Set
4. Enter a **comment** in the corresponding Comments area.
5. Click the **Update** button to save changes.
6. Click the **Back to Availability Summary** link to cancel changes.

Enter Match Availability

Season [2016 ▼] [GO]

Availability of: ▓▓▓▓▓▓▓

> Click the ❯ button to expand matches information for each match date or click the button in the header to expand all matches.
> Double click any button to set all records to that status.
