

Email child organisations

You can send an email to a list of clubs' main contacts using this feature.

Each club can designate which one or more players and contacts from their lists will receive communications from the association. You can select all or some of these people to send messages to.

Email Child Organisations ?

Child Organisations must nominate designated contacts in order to appear in the list below (via the *Designated contacts for Parent Organisations* page). See help for more details.

Options

☐ Send a copy of message back to sender

☒ Only display recipients with a valid email address

☐ Hide email addresses

Recipients

Number listed: 1

Number selected/entered: 1

☒ Select All/No Recipients

Recipient List

☒

Netball South Australia
