

Player Movement Report

This report gives us a summary of list of players that have been moved in or out of the organisation, within a specified date range, along with the reason for movement of the person records.

Movement between organisations is administered to avoid duplication of person records, and could be in the form of a [transfer](#), [clearance](#) or a [permit](#).

Date From:01/12/2016

Date To:05/01/2017
