**Highlighted Features:**

- (1)** To Select Captain, tap and choose from displayed list of Selected Players.
- (2)** To Select Wicketkeeper, tap and choose from displayed list of Selected Players.
- (3)** To re-order the batting line-up, touch and hold the  icon next to a player's name, and then drag it upwards or downwards as required. On Android, this is achieved by tapping on the up or down arrows next to a player's name.
- (4)** Tap on (X) to remove players from the line-up.

**Note**

You cannot remove players who have already taken part in the game (i.e. batted, bowled, taken a catch or been involved in a Run Out or Stumping)

- (5)** To replace a player with a different player from the same club, tap and choose from displayed list of players.
