I don't know if I have a Login ID / account. How can I check?

If you don't know if you have a Login ID, you can search for yourself on the following Login portals:
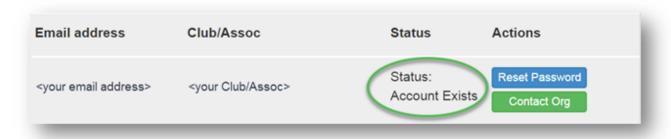

- MyNetball
- All other ResultsVault Sports

Find your details, by entering in one of these three fields and press Find:

- Participant ID,
- Email address or
- Personal details (name + DOB).

If you can find your details in our database, you'll be able to see if you have a Login ID.

If the Status of your account shows "**Account Exists**", **then you have a Login ID** and it will display under the email address field.

If the Status of your account shows "**Email Exists**", **then you don't have a Login ID yet**, and you will need to create a Login by selecting Create Login.

If you cannot find your details in our database, and you think you have signed up before, please contact Support to query this further.
